One of the most prestigious addresses on Bay Street: welcome to 1001 Bay, an iconic building in the Bay Street Corridor with an unbeatable location and top-tier amenities.

Suite 912 is a tastefully renovated one bedroom plus solarium suite with sleek hardwood floors throughout. The bright open concept living and dining room leads to the sunny solarium with pretty French doors and southeast views. The versatile room can easily double as a second bedroom or home office. The separate kitchen area offers plenty of storage space with a pantry and extra cupboards. The generous master bedroom is its own retreat with large windows and a semi-ensuite 4-piece bath. This is the perfect place to unwind after a hectic day.
